

How does Castelan protect your squish?

Castelan Furniture Protection covers your Loaf sofa, bed, mattress or footstool against wine spillages, tea disasters and mucky pup mishaps (and all other accidental stains, marks and tears).

Say you accidentally spill your morning brew all over your new Loaf squish, don't panic. Castelan will take care of it. Here's how:

1. Get in touch

You can go online or pick up the phone to Castelan's team of friendly experts as soon as is humanly possible. They'll advise you on what the best course of action is. They know lots about stain removal and in some instances will send you their magic stain removal potion to save you waiting around for a technician.

2. Pop the kettle on for the technician

If the special potion (stain remover) doesn't work, or if you've claimed for accidental damage, they'll arrange for one of their technicians to pop round and get your Loaf squish sorted.

3. Product replacement

If it's beyond help, they'll try to replace the damaged part first (or the whole item if the part is not available) as quickly as possible. In the event of a replacement, the original lead time is applicable.

Butterfingers need not despair. You can claim as many times as you need over 5 years (the length of the policy). Claims aren't limited to the value of the goods and previous claims costs won't be deducted in the event of a replacement.

There is no excess and you'll have cover for parts, labour and replacement items.

You only pay a one-off fee and there are no annual renewal charges.

Any other questions?

• So who is Castelan exactly?

Castelan are experts at caring for furniture. They visit around 125,000 customers every year. They've pretty much been there and seen it all.

• Is Castelan regulated?

Yes! Castelan is authorised and regulated by the Financial Conduct Authority. For more information please read the important bit at the end of this document.

• When does the protection start?

As soon as you take delivery of your new Loafy squish, your furniture protection kicks in. It lasts 5 years and you can claim as many times as you need, so you're well-covered. Please note that if you've bought more than one piece of Loafy squish, each item will need its own Castelan Furniture Protection plan.

• Can I take the protection after taking delivery of my new Loaf purchase?

Once your new Loaf purchase has been delivered to your home, it is no longer possible to take out Castelan Furniture Protection.

• Do you coat your squish with one of those protective sprays?

No! We wouldn't dare cover your beautiful squish in one of those protective chemical sprays.

• What if I decide to cancel or return my Loaf purchase? Will I still be charged for taking out Castelan Furniture Protection?

If you cancel or return your Loaf sofa, bed, mattress or footstool and haven't made a claim, we will cancel your policy and you will be refunded in full. You can also cancel your policy within 14 days from receipt of Certificate of Insurance (which will be sent to you shortly after your Loaf item has been delivered). Again, we will refund you in full. Simple.
